

Renfrewshire Wardens Service

safer and stronger
renfrewshire

What do we do?

Our job is to help to make Renfrewshire a cleaner and safer place for people to live in, work in and visit. We carry out patrols in priority areas, but most of our time is spent in dealing with specific requests for help from residents.

Clean Renfrewshire

We investigate complaints about:

- littering
- dog fouling
- breaches of the smoking ban
- fly-posting
- fly-tipping
- vehicle engine idling and illegal emissions

And we can issue fixed penalties to people who cause these offences.

As well as dealing with environmental crime, we support the Council's Clean Renfrewshire campaign by helping local groups to organise litter clean-ups and advising schools and community groups about issues such as litter, dog-fouling and fly-tipping. We can also provide residents and businesses with graffiti clean-up kits.

We also advise businesses about disposing of their waste properly.

"There's dog dirt in the kids' swing park again. It's really annoying me!"

Safer Renfrewshire

We deal with complaints about antisocial behaviour, such as:

- vandalism
- graffiti
- domestic noise nuisance
- youth disorder
- dog nuisance

We work closely with other services in the Council and with the police to tackle these problems.

What are the operating times for the service?

7am-10pm, seven days a week.

"I got woken up again last night by the noise next door. It's driving me mad!"
