

Community Safety Priorities

These tables set out how the Community Safety Partnership plans to tackle its priorities over the next three years to compliment the existing mainstream services. The strategy will be supported by annual action plans.

VIOLENCE		
What do we want to achieve?	How will we get there?	How will we measure success?
<ul style="list-style-type: none"> • A sustainable reduction in all forms of violence in our communities • An increase in reporting, particularly in relation to domestic abuse, until a general confidence in reporting is achieved 	<ul style="list-style-type: none"> • Local violence reduction campaigns • Focus on repeat offenders for all forms of violence • Pro-active targeting of individuals who carry knives or other offensive weapons • Work towards shifting resources towards early intervention in the longer term • Review education in schools • Tackle substance misuse, particularly alcohol, as a cause and symptom of violence • Awareness raising campaigns to encourage reporting of domestic abuse incidents • Support the development of interventions to address the behaviour of perpetrators of domestic abuse 	<ul style="list-style-type: none"> • Reduce number of non-sexual crimes of violence by 12% (from 678 in 2006/07 to 597 in 2010/11) Target Reference - V1 • Reduce number of simple assaults by 12% (from 2401 in 2006/07 to 2113 in 2010/11) Target Reference - V2 • Reduce the percentage of Public Services Panel respondents worried about being physically attacked or assaulted in the street by 6% (from 58% in 2006/07 to 52% in 2010/11) Target Reference - V3 • Reduce the percentage of Public Services Panel respondents worried about being mugged and robbed by 6% (from 58% in 2006/07 to 52% in 2010/11) Target Reference - V4

	<ul style="list-style-type: none"> Enhance intelligence gathering across the Antisocial Investigations Team, Wardens and Police on gangs 	<ul style="list-style-type: none"> Reduce number of repeat offenders within the last two years for non-sexual crimes of violence and simple assaults by 5% (from 318 in 2006/07 to 302 in 2010/11) Target Reference - V5 Increase reports of domestic abuse incidents by 10% (from 1835 in 2006/07 to 1651 in 2010/11) Target Reference - V6 Reduce the number of repeat domestic abuse incidents by 15% (from 1127 in 2006/07 to 992 in 2010/11) Target Reference - V7 Increase the number of Public Services Panel respondents who agree that Renfrewshire is a safe place to live by 6% (from 34% in 2006/07 to 40% in 2010/11) Target Reference - V8

INJURY PREVENTION		
What do we want to achieve?	How will we get there?	How will we measure success?
<ul style="list-style-type: none"> A reduction in the number of injuries and deaths due to accidents 	<ul style="list-style-type: none"> Run local initiatives involving communities and schools such as Community Speed Watch and the Junior Road Safety Officer Scheme Run local media campaigns promoting the dangers of speeding, drink and drug driving, seat-belt and mobile phone offences Develop a strategy for driver behavioural change, which engages all the community Access the most vulnerable households for home fire safety visits Provide targeted information and advice on home safety (e.g. new mothers, elderly people) Raise the awareness of home safety amongst partner agency staff Deliver a multi-agency initiative aimed at primary school children 	<ul style="list-style-type: none"> Reduce the number of home fires resulting in injury by 15% (from 55 in 2006/07 to 47 in 2010/11) Target Reference - IP1 Reduce the total number of fires by 15% (from 1800 in 2006/07 to 1530 in 2010/11) Target Reference - IP2 Reduce number of people killed and seriously injured on our roads by 40% by 2010 (from 157 94-98 average to 94 in 2010) Target Reference - IP3 Reduce the number of children killed and seriously injured on our roads by 50% by 2010¹ (from 35 94-98 average to 17 in 2010) Target Reference - IP4 Reduce the number of emergency hospital admissions due to falls by 10% (from 1226 in 2006/07 to 1103 by 2010/11) Target Reference - IP5 Reduce the percentage of respondents stating that over the past 12 months, either they or a member of their household had experienced an accident

¹ Road safety targets are prescribed UK wide targets measured by calendar year

		that required medical attention by 5% (from 18% in 2006/07 to 13% in 2010/11) Target Reference - IP6
DRUG and ALCOHOL RELATED CRIME and DISORDER		
What do we want to achieve?	How will we get there?	How will we measure success?
<ul style="list-style-type: none"> • A reduction in the harm caused by those engaged in illegal drug activity • A reduction in alcohol misuse, particularly by young people 	<ul style="list-style-type: none"> • Enhance intelligence gathering across the Antisocial Investigations Team, Wardens and Police on illegal drug activity and underage drinking • Specialist police initiatives to target drug dealing and possession • Promote drug and alcohol awareness amongst partner organisations and communities (particularly children and young people) • Run local initiatives to reduce the number of young people accessing alcohol 	<ul style="list-style-type: none"> • Increase the number of detections for offences relating to the unlawful supply of controlled drugs by 12% (from 311 in 2002/03-2006/07 to 348 in 2010/11²) Target Reference - DandA1 • Reduce the number of Public Services Panel respondents concerned about drugs/drug dealing in their area by 5% (from 29% in 2006/07 to 24% in 2010/11)³ Target Reference - DandA2 • Reduce the percentage of Public Services Panel respondents concerned about drug abuse by 5% (from 16% in 2006/07 to 11% in 2010/11) Target Reference - DandA3 • Reduce the percentage of Public Services Panel respondents concerned about alcohol abuse by 5% (from 14% in 2006/07 to 9% in 2010/11) Target Reference -

² An average has been provided as the baseline as the 2006/07 figure (606) is skewed due to Operation Triplicate

³ Note that Winter 07/08 survey revealed 45% who were concerned about drugs/drug dealing

		<p>DandA4</p> <ul style="list-style-type: none"> Reduce the percentage of Public Services Panel respondents concerned about young people drinking in public by 8% (from 34% in 2006/07 to 26% in 2010/11) Target Reference - DandA5
HATE CRIME		
What do we want to achieve?	How will we get there?	How will we measure success?
<ul style="list-style-type: none"> An increase in reporting until a general confidence in reporting is achieved Understanding and tolerance of diversity across all communities 	<ul style="list-style-type: none"> Increase the ways to report hate crimes (e.g. third party reporting sites) to encourage more victims to report incidents Undertake a review of programmes and interventions available to perpetrators of hate crimes 	<ul style="list-style-type: none"> Increase reports of racially motivated incidents by 12% (from 131 in 06/07 to 147 in 2010/11) Target Reference - HC1 Increase reports of homophobic incidents by 100% (from 9 in 2006/07 to 18 in 2010/11) Target Reference - HC2 Reduce the number of repeat hate crime incidents by 15% (from 41 in 2006/07 to 35 in 2010/11) Target Reference - HC3
ACQUISITIVE CRIME		
What do we want to achieve?	How will we get there?	How will we measure success?
<ul style="list-style-type: none"> A reduction in the number of victims of housebreaking, vehicle crime and bogus caller crime 	<ul style="list-style-type: none"> Widely distribute crime prevention advice through existing publications Encourage residents to set up Neighbourhood Watch Schemes 	<ul style="list-style-type: none"> Reduce the number of domestic housebreaking offences by 10% (from 550 in 2006/07 to 495 in 2010/11) Target Reference - AC1

	<ul style="list-style-type: none"> • Use Neighbourhood Watch Schemes and Key Individual Networks (KINs) ⁴ to disseminate information • Raise awareness of bogus caller crime amongst vulnerable groups through the 'Cold Call Control Zone' initiative 	<ul style="list-style-type: none"> • Reduce the percentage of Public Services Panel respondents worried about having their home broken into and something stolen by 8% (from 55% in 2006/07 to 47% in 2010/11) Target Reference - AC2 • Reduce the number of vehicle crimes by 10% (from 1770 in 2006/07 to 1593 in 2010/11) Target Reference - AC3 • Reduce the percentage of Public Services Panel respondents worried about having their car stolen by 6% (from 44% in 2006/07 to 38% in 2010/11) Target Reference - AC4 • To increase the number of Public Services Panel respondents who are confident about dealing with a bogus caller (new measure to be included in next survey) Target Reference - AC5
--	---	--

⁴ KINs are local groups set up by Strathclyde Police who provide feedback on a wide range of community safety issues.
