

## Libraries.....on the move

Every day the mobile libraries take books all over Renfrewshire, providing a vital link between the library service and communities. They carry books for adults and children, as well as large print and talking books.

Stock is rotated regularly and a free reservation service allows access to the full stock of Renfrewshire Libraries.

No overdue charges apply to items borrowed from the Mobile Library.

The Mobile Library is wheelchair accessible.

The service is free to use and open to all for information needs, learning and leisure reading.

Come along and see what we have to offer. If you don't see what you're looking for, our staff are happy to assist.
