

## APPLICATION FOR RECORDING OF FORENAME(S) OR CHANGE OF FORENAME(S) OF CHILD UNDER TWELVE MONTHS OF AGE

### Guidance Notes to help you complete Form 21

(These notes are not part of the Form 21 prescribed under Section 43(3) of the Registration of Births, Deaths and Marriages (Scotland) Act 1965).

#### A. When to use this form

This application can be used where, **within 12 months from the date of the birth** of the child, the **forename** by which he or she was registered is to be changed or, if the child was registered without a **forename**, a forename is to be given to him or her and this application is delivered to the Registrar General within two years from the date of the birth of the child. The child's birth must have been registered in Scotland or there must be an entry in respect of the child in the Adopted Children Register or the Parental Order Register.

If a change of **forename AND surname** or **surname only** is required, you should use **Form 23** instead.

If a change of **surname only** is required you should use **Form 23** instead.

#### B. Completion of the form

Lines 1, 2 and 5 – 10 should be completed as they appear on the child's present birth entry. In the case of a child who is the subject of either an Adoption Order or a Parental Order the forename(s) and surname(s) at lines 1 and 2 should be as shown in the Adopted Children Register or the Parental Order Register.

Lines 3 and 4 should show the **NEW FORENAME** and the date on which any **NEW NAMES** were given.

#### C. Signatures

This form must be signed by a qualified applicant. A qualified applicant means –

- (a) where only one parent has parental responsibilities in relation to the child, that parent;
- (b) where both parents have such responsibilities, both parents; and
- (c) where neither parent has such responsibilities, any other person who has such responsibilities.

A person may be a qualified applicant whether or not they have attained the age of sixteen years.

It should be noted in **ALL CASES** where the child's birth was **registered** or **re-registered on or after 4 May 2006** where the parents were unmarried or not in a civil partnership and the natural father / parent is shown on the birth entry then any application should also be signed by him / her. If his / her signature is unobtainable then the application will not proceed unless the mother can provide us with a court order confirming that the natural father's / parent's parental responsibilities have been completely removed.

If the natural father / parent is not named on the birth entry and the parents were **unmarried or not in a civil partnership** then any application will also need to be **accompanied by a Form PRF** (parental responsibility form) signed by the child's mother.

In **ALL CASES** where the parents were **married or in a civil partnership BOTH signatures** are required on the form unless we are provided with a court order confirming that parental responsibilities have been completely removed from the other parent.
