

Private Hire Car Licence

A private hire car can only be pre-booked.

Vehicle Requirements

Renfrewshire Council operate various policies in respect of vehicles. For more details regarding approved vehicle specifications please contact the Civic Enforcement Officer on 0141 618 7083.

The main policies relating to private hire vehicles are as follows:-

The holder of a private hire car licence shall use as a private hire car, a four door saloon, a five door hatchback or estate vehicle with a minimum width across the back seat of 48 inches or alternatively a multi person vehicle (MPV) of a type approved by the Licensing Authority. All vehicles licensed as private hire cars shall be:

- (i) any colour other than white; and
- (ii) less than 7 years old from the date of first registration unless the vehicle is a multi person vehicle (MPV) and wheelchair accessible where that vehicle shall be less than 8 years old from the date of first registration. Vehicles shall be taken out of service and replaced when they become 7 years/8 years old from the date of first registration respectively;
- (iii) be subject to 6 monthly inspections as from the time they are 5 years old from the date of first registration.

Vehicle Inspection

Before any private hire car licence application can be lodged, an inspection must be undertaken and an inspection pass certificate obtained for the proposed vehicle to be licensed.

Visit renfrewshire.gov.uk/bookinspection to book a vehicle inspection. You can choose a date and time to suit you and pay the relevant inspection fee. Have your vehicle registration document to hand.

What documents do I need to submit an application?

You are required to produce the following documents when submitting your application form and in addition, the documentation set out below must be enclosed with the application in relation to checks on previous convictions and entitlement to work:-

❖ **Vehicle Registration Document (V5)**

For Renewal Applications: It is a condition of licence that the vehicle registration document is held in the name of the licence holder (unless a leasing agreement exists, in which case please see note below). However, if you have submitted a change of vehicle within 6 weeks of your renewal application we will accept a bill of sale.

For New Grant Applications: In the event that you do not have the vehicle registration document, a bill of sale may be submitted when applying for your licence. The vehicle registration document must be produced to this office once you receive it from DVLA and must be in the name of the licence holder.

❖ **MOT Certificate (if applicable)**

Applications for a private hire car licence require an MOT if the proposed vehicle to be licensed is over 3 years old.

❖ **Comprehensive Insurance and Insurance Schedule**

Applicants applying for a new licence do not require to submit their insurance at the time of submitting their application. We will request your insurance after the consultation period of 28 days from the date your application is received has expired. However, renewal applications must be accompanied by a valid current insurance certificate (showing comprehensive cover) and insurance schedule where appropriate.

❖ **Leasing Agreement (if applicable)**

It is a requirement that the vehicle registration certificate and insurance certificate must be in the licence holder's name. Any documentation exhibited in the name of someone other than the licence holder will not be accepted, unless a leasing agreement is in place. In this event, evidence of this leasing agreement must be produced. Please note that any person entering into a leasing agreement with the licence holder must be the holder of a taxi or private hire car driver's licence (badge) in Renfrewshire.

❖ **Vehicle Inspection Pass Certificate**

This is the pass certificate issued by the Inspection Centre at Underwood Road, Paisley once your vehicle has been inspected. The date on the pass certificate must be no later than 8 weeks before your application is lodged.

In addition, the following documents must be produced:-

Checks on Entitlement to Work

- For all applicants, evidence must be produced of entitlement to work in the United Kingdom, whether applying for a new licence or to renew an existing one. British citizens require to provide their current passport with the application. If an applicant does not have a current passport, then other documents must be provided as an alternative form of evidence. Information on alternative forms of evidence can be found on the Government website detailed below.
- For an EU national, the applicant's passport must be provided with the application.
- If neither a British citizen nor an EU national, the applicant's passport and residence permit confirming an entitlement to work in the UK must be provided.
- Original documents require to be exhibited and will be copied and returned to applicants.
- The application may also be passed to the UK Border Agency in relation to any issues arising on the applicant's entitlement to work in the United Kingdom.

Please see www.gov.uk for a full list of alternative documents that prove an individual's right to work in the UK.

Checks on Previous Convictions

For applicants seeking a new licence, and who were born or have been resident outside the UK for 6 months or more, there must be produced with the application form documentation in relation to criminal record checks.

Applicants need to provide:

- If the applicant was born outwith the United Kingdom, a criminal record check must be provided from his or her country of origin. Applicants must also provide a criminal record check from any other country in which they have been resident for six months or more.
- If the applicant was born in the United Kingdom, but has lived in any other country or countries for six months or more, they must provide a criminal record check from those countries.
- In all cases, the criminal record checks provided must have been obtained within the six months prior to submitting the application and must be verified by the relevant UK based Embassy/High Commission where obtained from authorities outwith the United Kingdom.

We will not accept your application unless you can exhibit each of the above listed documents as appropriate. The documentation will be verified by a Customer Service Advisor and returned to you immediately.

Applications

Each question on the form must be answered. If a question is irrelevant please mark it “not applicable” unless otherwise stated.

For renewal applications, applicants are solely responsible for ensuring their renewal application form is lodged timeously, ideally around 6 weeks prior to the expiry date of the licence. Failure to lodge the renewal before the expiry date of the current licence may result in the licence lapsing.

Application Fees

Payment is due at the time of lodging. For application fees, please refer to the Civic Licensing Application Fees on our website at www.renfrewshire.gov.uk.

Prior Refusal

If you have applied for and been refused an application for a private hire car licence by Renfrewshire Council then, unless there has been a material change in circumstances, you cannot apply for the same kind of licence within one year of the date of refusal.

Processing your application

When your application is lodged and the appropriate fee has been paid, a copy of your application will be sent to Police Scotland. They will carry out their own investigations and report back to the licensing office.

The legislation allows for consideration of the application within three months and a decision within nine months.

If an objection or representation is received in relation to your application, you will be sent a copy of the letter. Your application and the letter of objection or representation will then be referred to the Regulatory Functions Board meeting. You will be called to a hearing before the Board and given the opportunity of addressing the Board.

Right of Appeal

If your application is refused, or granted conditionally, you are entitled to ask the Council within 21 days to give reasons for such refusal, or the imposition of such conditions, and thereafter (within 28 days of the Board's decision) entitled to appeal to the Sheriff against the decision on certain grounds.

If there is an objection to your application and the application is subsequently granted the objector can also ask the Council to give reasons for such grant and thereafter is (within 28 days of the Board's decision) entitled to appeal to the Sheriff also.

You may wish to seek independent legal advice in relation to any appeal.

Conditions of Licence

A copy of Renfrewshire Council's licence conditions for private hire car licences will be issued to you in the event that your licence is granted. The Council requires all licence holders to have a thorough understanding of these conditions and these must be retained as they form part of your licence.
