Renfrewshire
Council

We want to have a conversation with you about what we (the council) stand for and what we can do to build a closer relationship with our communities and partners.

We need your help to understand what matters most to you, how we can make it easier to connect with the council and how we can strengthen our relationships and work together.

All we ask is that you visit www.renfrewshire.gov.uk and answer a few simple questions that will have a real impact on our future organisation.

Your feedback will help us to develop a new set of council values and a promise to local people; how we work together, communicate and continue to build a great Renfrewshire and a positive working environment for our staff.

The survey is quick and easy to complete and everyone who lives, works or studies in Renfrewshire is invited to have their say.

Go online at www.renfrewshire.gov.uk/OurRenfrewshire and tell us what you think.

If you need some help to go online, ask about 'Our Renfrewshire' in any of our libraries.
