Chief Constable's Report to the Licensing Board

1. Summary

1.1 Section 12A of the Licensing (Scotland) Act 2005 ("the 2005 Act") requires the Chief Constable, on an annual basis, to provide a report to the Licensing Board setting out the Chief Constable's views about policing in connection with the 2005 Act in the Board's area and any steps taken, or intended to be taken, in that year or the following year, to prevent the sale or supply of alcohol to children or young people in that area.

Kenneth Graham
Clerk to the Licensing Board

Foreword

It gives me great pleasure to provide the Annual Licensing Report for 2018/19, in accordance with Section 12(A) Licensing (Scotland) Act 2005. During this year the Minimum Unit Pricing of Alcohol was introduced in Scotland. We will work through the Evaluation Advisory Group to assess the impact of this legislation.

Working in partnership is key to effective regulation in liquor licensing. Police Scotland remains committed to working closely with partners in the 32 Local Authorities across Scotland to ensure a fair and consistent approach. Preventing alcohol fuelled violence, disorder and antisocial behaviour is a priority and I believe that working together to achieve effective early intervention and enforcement is vital to this.

I would like to acknowledge the many active local partnerships that provide continued support, enabling Police Scotland and partners to drive improvement in licensing. I will ensure that all officers and staff continue to recognise the importance of working closely with key partners, including the Licensed Trade, to improve licensing standards nationally utilising the range of options available to them.

I am confident that through strong partnerships and collaborative working, we will meet any challenges that may arise and will continue to improve licensing standards for the communities of Scotland.

Mr Iain Livingstone QPM

Chief Constable

Police Service of Scotland

The VPLCU seek to ensure that legislation governing the sale and supply of alcohol is applied consistently across the country and all opportunities are taken to stop the illegal or irresponsible sale, supply or consumption of alcohol with the intention of preventing and reducing crime and disorder.

During 2018/2019, from a licensing perspective, our particular focus will be on the following;

- Scrutiny of the serious incidents of violence, disorder and antisocial behaviour linked to licensed premises.
- Continuous professional development training and guidance for staff to harmonise licensing practice across the country.
- Working closely with statutory partners within a National Licensing Trade Forum to identify licensing related issues and prevent/reduce associated crimes.
- Governance and ongoing development of the National ICT Licensing System, known as "Inn Keeper", to increase the efficiency and effectiveness of liquor and civic licensing administration and management.
- The implementation and ongoing development of the Licensing Admin tool provides divisional licensing officers with a single ICT product negating the need to research police systems independently. Through accurate recording, the licensing admin tool assists Police Scotland in deploying our resources to the right places and the right time to keep people safe.

Each of the 13 Local Policing Divisions have a licensing team responsible for the day to day management of licensing administration, complying with statutory requirements as well as addressing any issues that may arise within licensed premises in their local area.

LICENSING BOARD AREA

The Licensing Board area is policed by Renfrewshire & Inverclyde Division

Chief Superintendent Alan Murray is the Local Police Commander with responsibility for all policing functions.

Chief Inspector Douglas Falconer and Chief Inspector Rhona Fraser were the Local Area Commanders for Renfrewshire with responsibility for the management of personnel, local service delivery, community engagement and partnership working to ensure local and national priorities are met for the reporting period.

Covering an area of 261 sq. km (101 sq. miles), Renfrewshire is bounded by the Firth of Clyde to the north, by East Renfrewshire to the south, by Inverclyde to the west, by North Ayrshire to the southwest, and by the City of Glasgow to the east. Renfrewshire is the ninth smallest Scottish council area in size, the ninth largest in population and the sixth highest in population density, with 54 per cent of its land used for agriculture. About one sixth of the area is developed, primarily for urban use.

Partnerships

Partnership working is key to delivering tangible outcomes and we continue to strengthen our relationships with all agencies, community representatives and local residents to ensure our services are co-ordinated, effective and efficient and address the needs of our communities

“I am Me”

Renfrewshire and Inverclyde Division works in partnership with “I Am Me” providing a network of local businesses to create ‘Keep Safe’ places for disabled, vulnerable, and elderly. There are currently 165 Keep Safe places in the Division, 20 of them are licensed premises. The Keep Safe Ambassador Programme is also going from strength to strength and now has 128 High School Ambassadors, 70 Police Scotland Youth Volunteer Ambassadors, 35 Ambassadors with a learning disability and 50 Keep Safe Ambassador trainers across Scotland. This provides a vulnerable section of the community, areas where they can safely report crime. Such venues have been set up in the central business district where there is a higher proportion of on/off sale premises.

“Street Stuff”

Street Stuff is a diversionary project which has been running in Renfrewshire since 2009, aimed at diverting young people away from disorder and antisocial behavior. The partnership consists of Renfrewshire Council, St Mirren Football Club, Engage Renfrewshire, Police Scotland and Scottish Fire and Rescue Service and offers a range of free activities including football, dance and a youth bus. The program recently received additional funding from the Council to respond to issues identified by the Renfrewshire Tackling Poverty Commission and target areas of poverty and deprivation. The Street Stuff network provides diversionary activities, reducing levels of alcohol fueled disorder. Renfrewshire and Inverclyde Licensing fully supports such diversionary activities.

Radiolink

The Radiolink system continues to provide direct links between CCTV operators and various licensed premises within Paisley, ensuring a swift and effective police response to incidents as well as providing reassurance to staff.

Night Time Economy – Town Centre Plan

Local community police officers undertake dedicated night-time economy policing plan which focuses on alcohol related incidents, antisocial behaviour, violence and drugs misuse. Its objective is to ensure the safety, wellbeing and enjoyment of the public. It provides a targeted and coordinated approach to deter, detect and disrupt antisocial behaviour. Officers engaged in this plan work closely with Community Wardens and Street Pastors.

- Public reports of antisocial behaviour and disorder;
- Environmental issues such as dog fouling, fly tipping, vandalism and graffiti;
- The Scottish Index of Multiple Deprivation (SIMD).

In 2018/2019, the programme was delivered in “**Shortroods**”. The Community Safety Partnership worked with the local community to improve public satisfaction for those who live and work in the area. This programme was supported by Renfrewshire Council, Engage Renfrewshire, the Scottish Fire & Rescue Service and the Renfrewshire Health and Social Care Partnership.

An online Community Survey highlighted the main concerns which included anti-social behaviour, violent crime, lack of youth interaction and littering. Based on this feedback, a series of actions were carried out including educational talks in schools, increased patrols, free swim passes for young people, organised litter picks and joint evening patrols by the Police, Community Wardens and Youth Team. The CP teams carried out a range of enforcement & prevention tactics by increasing joint educational visits to local schools. During the intervention period the Licensing team carried out a range of activities with licensed premises promoting Community Safety. The team have also circulated advisory material to all licensed premises within Renfrewshire to reduce proxy sales of alcohol.

Actions were carried out by all partners involved to make a tangible difference to the area, with these actions monitored throughout the three-month period and adapted where needed

The programme is a great example of partnership working tackling a wide range of issues in the area identified by the residents which couldn't be tackled by only one organisation in the programme.

The Shortroods community will continue to be supported by all the partners involved with community police officers and wardens continuing to operate within the area, and residents can also take advantage of the close working relationship developed with the council services involved, including the housing and youth teams.

The 'Your Home, Your Street, Our Community' programme which is helping to build safer and stronger communities has made residents feel safer in their homes, their neighbourhoods and made their area a better place to live.

This has led to 74.5% of respondents, an increase of 17.5%, stating they felt Shortroods was a fairly good, good or very good place to live and 65% of residents now feeling safe in their neighbourhoods, an increase of 31.5%. More than 86% of residents also now feel safe in their homes thanks to the work carried out as part of the programme.

“No Knives Better Lives”

This a national initiative and aims to raise awareness of the consequences of carrying a knives and provides information on local activities and opportunities for young people. It is recognised that alcohol consumption influences risk taking behaviors. On the 21st of January 2019 practitioners from “No Knives Better Lives” upskilled 117

Problem Solving

Police Scotland currently have 3 levels for categorising licensed premises that come to our attention:

- **Monitored** – Premises that require extra support and supervision. This can include premises coming to police attention through incidents or newly opened premises with inexperienced staff. A low key approach is used to address issues before they escalate.
- **Intervention** – A formal intervention agreement is put in place to improve the safe and legitimate operation of a premises. This intervention plan, which contains a list of conditions, is agreed between all parties. The intervention period would last a minimum of three months and be subject to review.
- **Problematic** – Premises deemed problematic will normally be the subject of a premises licence review submission by Police Scotland to the Licensing Board.

Any categorised premises will be subject to regular inspections to ensure compliance and will form part of the tasking regime for the night time economy action plans. All inspections, pro-active, re-active or planned are submitted via the Innkeeper system.

Figures for the period 1st April 2018 to 31st March 2019 show that 10 premises were monitored and subject to regular inspections. 2 of the monitored premises were upgraded to intervention and a further taken to review with additional conditions added to their licence.

Summary

Appendices A and B provide details of all crimes/offences detected within Renfrewshire and the volume of applications processed by Police Scotland for licensed premises within Renfrewshire in terms of the Licensing (Scotland) Act 2005, between 1 April 2018 and 31 March 2019.

PROPOSED ACTIVITY FOR THE YEAR AHEAD**DON'T ASK FOR IT - Proxy Purchase Campaign**

Renfrewshire & Inverclyde Police will launch "Don't Ask for it" Proxy Purchase Campaign proxy purchase campaign between the 7th of June 2019 and 31st August 2019.

This Campaign will focus on hot spot areas with Educational interventions supported by our third sector partners.

The main aims of the campaign are

- Reduce the number of attempted purchases of alcohol for under 18s.
- Reduce crime and antisocial behaviour in the area.
- Reduce the vulnerability of those abusing alcohol under 18.
- Reduce the number of hospital admissions for under 18s with alcohol related injuries.
- Educate the public regarding the offence and dangers of proxy purchase within our communities.
- Educate Off-Sales and Licensed Premises to highlight the dangers of Proxy Purchase and operate within the Licensing Objectives.

The success of initiatives such as "Challenge 25" and joint work with Renfrewshire Council have reduced the direct sale of alcohol to those under 18, however alcohol related violence and anti-social behaviour illustrate that younger age groups are increasingly gaining access to alcohol by other proxy sales. The most common method involves asking adults to buy alcohol for them.

The Licensing (Scotland) Act 2005 makes it an offence for a person to act as an agent for a child in purchasing or attempting to purchase alcohol'. This is known as proxy purchase. The penalties for this offence include a fine of up to £5000 and/or three months in prison.

Campaign activity across Renfrewshire will be supported with events taking place in Paisley, Renfrew and Johnstone to promote the campaign. Pop up banners, posters and photo opportunities with the local press would be incorporated across the campaign and promoted across our social media platforms.

Major retailers have been approached and fully support the campaign. Smaller off-sales will receive promotional briefing packs explaining the benefits of the campaign to staff and customers. This includes posters and stickers to display within their premises reiterating the campaigns aims and supporting retailers in preventing the sale of alcohol to under 18s.

A number of sites will be identified as suitable for the application of the branding using stencils at areas of high footfall in order to maximise the promotion of the campaign and give warnings to those contemplating proxy purchases.

The campaign will be supported through Test Purchase Operations by Police Scotland ensuring premises believed to be supplying alcohol to under 18s are

Report by Clerk to the Licensing Board

**Extended Hours for the Festive Period 2019/2020
under the Licensing (Scotland) Act 2005**

INTRODUCTION

1. Policy

It has been the normal practice of the Renfrewshire Licensing Board to make a policy for extended hours for the festive period. In previous years, this policy was considered at the Board's October quarterly meeting under the Licensing (Scotland) Act 1976 regime and a similar practice has continued under the Licensing (Scotland) Act 2005.

The Board has in terms of its current Statement of Licensing Policy at Paragraph 15.4 set out the following:-

"The Board has an existing practice permitting longer licensed hours over the festive period and that will continue to be the case. The festive period for the purposes of this aspect of the policy will be determined by the Board on an annual basis."

Accordingly, the Board now require to determine the festive period for such longer licensed hours to apply for the festive period 2019/2020.

It should be noted that many premises licence holders when making an application for a premises licence to the Board included within the Seasonal Variations section of their applications a reference to the hours to be determined by the Board in respect of their festive policy to be applied to their licences as a seasonal variation. Accordingly, such licence holders will not require to make further application to the Board for "extended hours" to cover the festive period determined by the Board. Other licence holders who have not included a seasonal variation in their operating plans are required to submit separate applications for extended hours.

2. Consultation on Festive Policy

The views of the Local Licensing Forum, Police Scotland, Renfrewshire Health & Social Care Partnership and the Council's Community Safety Tasking and Deployment Manager were sought.

4. Last Date for Applications

In relation to those licence holders who will require to submit extended hours applications, it is proposed that such applications be submitted at least 28 days in advance of the first date applied for to allow for the timeous processing of applications.

5. Requirement for Notification

It has been the Board's practice for the last four years that all premises licence holders who had provided in their operating plans for a seasonal variation, in relation to the festive hours, advise both Police Scotland and Renfrewshire Licensing Board of the dates on which they intended to utilise their seasonal hours. It is proposed that similar notification be given by those licence holders by Monday 2nd December 2019 this year.
