

**DECLARATION BY FUNERAL DIRECTOR  
(Coronavirus Supplementary Burial Form)**

**Funeral directors must NOT sign the declaration on the burial application form but should complete this form and send it with the application form to the burial authority.**

1. The funeral director must provide the burial authority with an audit trail clearly showing that the content of the application form is the instructions provided by the applicant to the funeral director.
2. There must be a contact phone number/email for the applicant to enable the burial staff to contact the applicant to confirm the instructions.
3. Funeral directors must keep records showing a clear audit trail of how the instructions were received from the applicant.
