## Your weekly coronavirus update

The Scottish Government has announced that current restrictions on the hospitality industry are set to continue until 2 November when a new strategic 'tiered approach' to tackling the virus will be introduced.

The enhanced measures in place across central Scotland including Renfrewshire, will also continue for now. This means all restaurants and pubs will stay closed along with snooker, pool, bowling and bingo halls.

Hotels are permitted to serve food to resident guests and cafes can operate without alcohol until 6pm.

Details on the new tiered approach will be released in the coming days and the First Minister, Nicola Sturgeon, has stated the government cannot rule out tougher restrictions. However, these will be continuously assessed and balanced by the wider impacts they are likely to have on the economy and people's wellbeing.

Visit the Scottish Government website for the latest information at [www.gov.scot](http://www.gov.scot) and always remember to stick to the FACTS:

- Face coverings
- Avoid crowded spaces
- Clean hands and surfaces regularly
- Two metre physical distancing
- Self-isolate and book a test if you develop symptoms

## World Values Day 2020

Thanks to everyone for taking part in 'World Values Day' on Thursday 15 October.

With a focus on 'Values in Action' it was a day to think about the values that are important to you and how you can act on them.

We had insightful interviews with four of our senior leaders and asked you share your values pledges.

What a brilliant effort and it was lovely to see so many smiling faces.

In case you missed it, go to [www.renfrewshire.gov.uk/ourvalues](http://www.renfrewshire.gov.uk/ourvalues) and follow the link to Senior Leader Stories

## Celebrating Renfrewshire – voting now open!

The polls are now open for young people to vote for their favourite local project to receive a share of this year's Celebrating Renfrewshire Fund.

If you are aged 25 or under, make sure you don't miss this opportunity to have your say on what will improve the lives of young people in Renfrewshire right now. Anyone between the ages of 12 to 25 can vote.

Young people at school have been emailed instructions to their Glow account, so make sure you spread the word to those you know at home and through work.

Community groups can request voting packs to help members cast their votes and individuals should email [youth@renfrewshire.gov.uk](mailto:youth@renfrewshire.gov.uk) to be issued with a voting number which will grant them access to the Young Scot voting platform.

All those who take part are also in with a chance to win a £20 Just Eat Voucher, so don't miss out!

Voting closes on Friday 30 October and for more information, including links to shortlisted projects you can go to <https://young.scot/campaigns/renfrewshire/celebrating-renfrewshire>
