Report by Clerk to the Licensing Board

Chief Constable's Report to the Licensing Board

1. Summary

1.1 Section 12A of the Licensing (Scotland) Act 2005 ("the 2005 Act") requires the Chief Constable, on an annual basis, to provide a report to the Licensing Board setting out the Chief Constable's views about policing in connection with the 2005 Act in the Board's area and any steps taken, or intended to be taken, in that year or the following year, to prevent the sale or supply of alcohol to children or young people in that area.

1.2 Police Scotland have recently provided a report in respect of the above matters for the year to 31 March 2019. A copy of this report is attached as Appendix 1.

1.3 The Board has the power to request the Chief Constable or an officer nominated on his behalf to attend a meeting of the Board to discuss the terms of the report.

2. Recommendations

2.1 It is recommended that the Board –

2.1.1. Note the content of the report attached as Appendix 1 to this report.

Kenneth Graham
Clerk to the Licensing Board

**POLICE
SCOTLAND**
Keeping people safe

Foreword

It gives me great pleasure to provide the Annual Licensing Report for 2018/19, in accordance with Section 12(A) Licensing (Scotland) Act 2005. During this year the Minimum Unit Pricing of Alcohol was introduced in Scotland. We will work through the Evaluation Advisory Group to assess the impact of this legislation.

Working in partnership is key to effective regulation in liquor licensing. Police Scotland remains committed to working closely with partners in the 32 Local Authorities across Scotland to ensure a fair and consistent approach. Preventing alcohol fuelled violence, disorder and antisocial behaviour is a priority and I believe that working together to achieve effective early intervention and enforcement is vital to this.

I would like to acknowledge the many active local partnerships that provide continued support, enabling Police Scotland and partners to drive improvement in licensing. I will ensure that all officers and staff continue to recognise the importance of working closely with key partners, including the Licensed Trade, to improve licensing standards nationally utilising the range of options available to them.

I am confident that through strong partnerships and collaborative working, we will meet any challenges that may arise and will continue to improve licensing standards for the communities of Scotland.

Mr Iain Livingstone QPM

Chief Constable

Police Service of Scotland

Police Scotland Licensing Overview

The misuse of alcohol is regularly cited as a contributory factor in relation to crimes of violence, domestic abuse, disorder and antisocial behaviour occurring on our streets and within our homes. In addition, Alcohol is also known to lower inhibitions and can render an individual as much a victim as a perpetrator of crime.

Police Scotland will focus on many of the factors that contribute to and underpin the pervading issues surrounding the misuse of alcohol. In terms of Licensing we will ensure there is a concerted focus on the issues surrounding the sale and supply of alcohol within our communities and work together in partnership with Licensed Premises and other agencies to promote responsible trading practices, ultimately keeping people safe.

The majority of licensed premises operate in accordance with liquor licensing legislation and undertake the sale and supply of alcohol in a safe and regulated environment, providing an asset within our villages, towns and cities. There are, however, those licensed premises that allow standards to fall far below what is expected of a responsible trader and as a consequence fail to comply with the licensing objectives. The consequences of this happening can be an increase in alcohol fuelled violence, disorder and anti-social behaviour which affects individuals, families, communities and has a wider socioeconomic impact on Scotland as a whole.

Across the Police Service of Scotland, we seek to ensure that alcohol legislation is applied consistently across every Division and that all opportunities are taken to prevent the irresponsible sale, supply or consumption of alcohol. There are also real opportunities to impact on serious and organised crime groups (SOCGs) who may seek to exploit the licensed trade, either by making attempts to become involved in the running of, or ownership of 'legitimate' enterprises, or by seeking to influence or intimidate legitimate operators in furtherance of their criminal enterprises.

The Violence Prevention and Licensing Co-ordination Unit (VPLCU) sits within Safer Communities based at Dalmarnock Police Station, Glasgow.

The VPLCU upholds the two tier structure for licensing which supports both national and local priorities through service delivery. They have overall responsibility for determining and delivering national licensing strategy and policy, by providing advice, guidance and support to divisional licensing teams as well as undertaking other specialist functions.

The Violence Prevention and Licensing Co-ordination Unit is a specialist department which consists of a small team of officers, based in Glasgow. The officers within the unit work with divisional licensing teams and partner agencies to help shape policy and strategy around the police licensing function. They provide practical and tactical advice to police licensing practitioners, operational officers, supervisors and policing commanders.

NOT PROTECTIVELY MARKED

The VPLCU seek to ensure that legislation governing the sale and supply of alcohol is applied consistently across the country and all opportunities are taken to stop the illegal or irresponsible sale, supply or consumption of alcohol with the intention of preventing and reducing crime and disorder.

During 2018/2019, from a licensing perspective, our particular focus will be on the following;

- Scrutiny of the serious incidents of violence, disorder and antisocial behaviour linked to licensed premises.
- Continuous professional development training and guidance for staff to harmonise licensing practice across the country.
- Working closely with statutory partners within a National Licensing Trade Forum to identify licensing related issues and prevent/reduce associated crimes.
- Governance and ongoing development of the National ICT Licensing System, known as “Inn Keeper”, to increase the efficiency and effectiveness of liquor and civic licensing administration and management.
- The implementation and ongoing development of the Licensing Admin tool provides divisional licensing officers with a single ICT product negating the need to research police systems independently. Through accurate recording, the licensing admin tool assists Police Scotland in deploying our resources to the right places and the right time to keep people safe.

Each of the 13 Local Policing Divisions have a licensing team responsible for the day to day management of licensing administration, complying with statutory requirements as well as addressing any issues that may arise within licensed premises in their local area.

LICENSING BOARD AREA

The Licensing Board area is policed by Renfrewshire & Inverclyde Division

Chief Superintendent Alan Murray is the Local Police Commander with responsibility for all policing functions.

Chief Inspector Douglas Falconer and Chief Inspector Rhona Fraser were the Local Area Commanders for Renfrewshire with responsibility for the management of personnel, local service delivery, community engagement and partnership working to ensure local and national priorities are met for the reporting period.

Covering an area of 261 sq. km (101 sq. miles), Renfrewshire is bounded by the Firth of Clyde to the north, by East Renfrewshire to the south, by Inverclyde to the west, by North Ayrshire to the southwest, and by the City of Glasgow to the east. Renfrewshire is the ninth smallest Scottish council area in size, the ninth largest in population and the sixth highest in population density, with 54 per cent of its land used for agriculture. About one sixth of the area is developed, primarily for urban use.

NOT PROTECTIVELY MARKED

Renfrewshire has a diverse economy which has benefited from the presence of Glasgow International Airport. Tourism is developing with historic attractions in Paisley (the Abbey, Town Hall, Coats Observatory, Museum and Art Gallery, and the Sma' Shot Cottages), Kilbarchan (Weavers Cottage), as well as several country parks in the council area. Iconic sites such as the Braehead Shopping Centre, the Soar Complex and Glasgow Airport, attract over 29 million visitors per year.

Renfrewshire has a rich history in effective partnership working which helps to deliver highly successful policing, impacting positively on local communities.

There are currently 434 licensed premises in Renfrewshire, 139 licensed off sales premises, 106 licensed premises for on sales only and 189 licensed premises for both on and off sales.

Local Policing Priorities

The policing priorities for Renfrewshire, identified following public consultation and engagement are as follows;

- Protecting people at risk of Harm
- Serious and Organised Crime
- Violence, Antisocial Behaviour and Disorder
- Road Safety and Road Crime
- Counter Terrorism and Domestic Extremism

Senior Officers

The senior officers who hold responsibility for licensing within the area of Renfrewshire are as follows;

Licensing Department;

Head of Department Chief Inspector Elliot Brown.

Licensing Sergeant Manjit Singh-Kaila.

OPERATION OF THE LICENSING (SCOTLAND) ACT 2005

Alcohol misuse, exacerbated by its accessibility, availability and affordability, is commonly acknowledged as a contributory factor in incidents of violence, disorder and antisocial behaviour.

Police Scotland continues to work with its partner agencies, including the licensed trade, to reduce the impact alcohol misuse has on local communities. By working together we can target those who fail or simply refuse to promote responsible trading practices. Together we can improve the safety and wellbeing of people, places and communities in Scotland.

Partnerships

Partnership working is key to delivering tangible outcomes and we continue to strengthen our relationships with all agencies, community representatives and local residents to ensure our services are co-ordinated, effective and efficient and address the needs of our communities

“I am Me”

Renfrewshire and Inverclyde Division works in partnership with **“I Am Me”** providing a network of local businesses to create ‘Keep Safe’ places for disabled, vulnerable, and elderly. There are currently 165 Keep Safe places in the Division, 20 of them are licensed premises. The Keep Safe Ambassador Programme is also going from strength to strength and now has 128 High School Ambassadors, 70 Police Scotland Youth Volunteer Ambassadors, 35 Ambassadors with a learning disability and 50 Keep Safe Ambassador trainers across Scotland. This provides a vulnerable section of the community, areas where they can safely report crime. Such venues have been set up in the central business district where there is a higher proportion of on/off sale premises.

“Street Stuff”

Street Stuff is a diversionary project which has been running in Renfrewshire since 2009, aimed at diverting young people away from disorder and antisocial behavior. The partnership consists of Renfrewshire Council, St Mirren Football Club, Engage Renfrewshire, Police Scotland and Scottish Fire and Rescue Service and offers a range of free activities including football, dance and a youth bus. The program recently received additional funding from the Council to respond to issues identified by the Renfrewshire Tackling Poverty Commission and target areas of poverty and deprivation. The Street Stuff network provides diversionary activities, reducing levels of alcohol fueled disorder. Renfrewshire and Inverclyde Licensing fully supports such diversionary activities.

Radiolink

The Radiolink system continues to provide direct links between CCTV operators and various licensed premises within Paisley, ensuring a swift and effective police response to incidents as well as providing reassurance to staff.

Night Time Economy – Town Centre Plan

Local community police officers undertake dedicated night-time economy policing plan which focuses on alcohol related incidents, antisocial behaviour, violence and drugs misuse. Its objective is to ensure the safety, wellbeing and enjoyment of the public. It provides a targeted and coordinated approach to deter, detect and disrupt antisocial behaviour. Officers engaged in this plan work closely with Community Wardens and Street Pastors.

Purple Flag

Purple Flag is an accreditation process for towns similar to the Green Flag award for parks and the Blue Flag for beaches. Purple Flag provided awards and certification for city centres that meet or surpass standards of excellence in managing the evening and night time economy. This is a positive accomplishment, Paisley has previously achieved this status during 2017/2018. Reassessment took place during March 2019 following a review by independent assessors. Police Scotland fully supported the application and as the process continues, through collaborative working, ensuring the licensing trade adhere to the licensing objectives.

Licensing Seminar

Working with Renfrewshire Council, the licensing department arranged a licensing seminar for the liquor licensing trade. The seminar took place on the 22nd November 2018 at the "Little Steak House", Sma Shott Lane, Paisley. Premises licence holders, management and staff, were invited to attend. Inputs were delivered relating to crime scene management, current drug trends and legal highs, preventing sexual violence, roads policing, licensing standards and counter terrorism. Positive feedback was received after the seminar. The seminar will continue in autumn 2019.

Seasonal Fireworks Disorder

Renfrewshire Inverclyde Licensing working in conjunction with Community Safety Partnerships created multi-agency plans to reduce Fireworks related Violence and Assaults.

This initiative involved partnership with the Fire Service, Community Wardens, and Community Safety Analysts. The licensing teams shared analytical data regarding disorder hotspots, offender profiles and safety plans. The licensing team increased visits to off sales premises selling alcohol identifying correlation between alcohol consumption and risk taking behaviours. Previous offenders were visited thereby reducing pathways to reoffending behaviour. The Licensing team distributed advisory material for premises selling fireworks. This has contributed to 20.6% reduction of Fireworks related disorder.

Building Safer & Greener Communities - "Your Home, Your Street our Community"

The Building Safer & Greener Communities multi-agency tasking group was set up in Renfrewshire in April 2016 to focus on the Building Safer Communities National Strategy of reducing victims of crime and victims of unintentional harm. This is achieved through interventions in key communities to help them build capacity to resolve issues affecting their areas.

Analysts from the Renfrewshire Community Safety Partnership select areas for this programme using a range of data including:

- Drug supply and possession;
Crimes of Violence;

NOT PROTECTIVELY MARKED

- Public reports of antisocial behaviour and disorder;
- Environmental issues such as dog fouling, fly tipping, vandalism and graffiti;
- The Scottish Index of Multiple Deprivation (SIMD).

In 2018/2019, the programme was delivered in “**Shortroods**”. The Community Safety Partnership worked with the local community to improve public satisfaction for those who live and work in the area. This programme was supported by Renfrewshire Council, Engage Renfrewshire, the Scottish Fire & Rescue Service and the Renfrewshire Health and Social Care Partnership.

An online Community Survey highlighted the main concerns which included anti-social behaviour, violent crime, lack of youth interaction and littering. Based on this feedback, a series of actions were carried out including educational talks in schools, increased patrols, free swim passes for young people, organised litter picks and joint evening patrols by the Police, Community Wardens and Youth Team. The CP teams carried out a range of enforcement & prevention tactics by increasing joint educational visits to local schools. During the intervention period the Licensing team carried out a range of activities with licensed premises promoting Community Safety. The team have also circulated advisory material to all licensed premises within Renfrewshire to reduce proxy sales of alcohol.

Actions were carried out by all partners involved to make a tangible difference to the area, with these actions monitored throughout the three-month period and adapted where needed

The programme is a great example of partnership working tackling a wide range of issues in the area identified by the residents which couldn't be tackled by only one organisation in the programme.

The Shortroods community will continue to be supported by all the partners involved with community police officers and wardens continuing to operate within the area, and residents can also take advantage of the close working relationship developed with the council services involved, including the housing and youth teams.

The ‘Your Home, Your Street, Our Community’ programme which is helping to build safer and stronger communities has made residents feel safer in their homes, their neighbourhoods and made their area a better place to live.

This has led to 74.5% of respondents, an increase of 17.5%, stating they felt Shortroods was a fairly good, good or very good place to live and 65% of residents now feeling safe in their neighbourhoods, an increase of 31.5%. More than 86% of residents also now feel safe in their homes thanks to the work carried out as part of the programme.

“No Knives Better Lives”

This is a national initiative and aims to raise awareness of the consequences of carrying a knife and provides information on local activities and opportunities for young people. It is recognised that alcohol consumption influences risk taking behaviors. On the 21st of January 2019 practitioners from “No Knives Better Lives” upskilled 117

NOT PROTECTIVELY MARKED

Cross Sector Partners with the “Sharp Solutions” training intervention toolkit, bystander training and stock images for social media campaigns. This has provided Community Safety teams with teaching packs and structured lesson plans to support front line delivery. This event was held at the West College, Paisley and participated by Renfrewshire Council, youth teams, education and representatives from third sector partners involved with diversionary activities. The training was also extended for PSYV in both Renfrewshire & Inverclyde. This training has been delivered at local schools and specifically addresses the issue of knife carrying. It is informed by and complimentary to wider priorities and interventions that aim to prevent offending and antisocial behaviour and to improve outcomes for young people in Scotland.

The Slide Serious & Organised Crime Toolkit

Working in partnership with the Scottish Government, police have devised an educational pack for young people that shows the devastating effects of Serious Organised Crime. On the 24th of January 2019 all Community Policing teams, Local Authorities, Youth Teams & Third Sector Partners were upskilled with this training package.

"The Slide" is a specially-created film that details a young man's downward spiral into criminality from his teenage years into early adult life. David, the star of the film, is 13-years-old when he tries drugs and alcohol for the first time. This is the beginning of a series of negative life choices, which results in him committing various offences and becoming a member of a Serious Organised Crime Group. After completing a prison sentence David becomes trapped in the crime group and is threatened by other members when he tries to leave. He subsequently becomes the victim of a serious attack by a rival crime group. Part of this training package demonstrates the dangers associated with counterfeit alcohol, tobacco and intellectual counterfeit goods.

The vast majority of Scotland's youths will never commit a criminal offence, or have any negative engagement with the criminal justice system. However, it is essential that we work closely with our partners to deter young people from making bad decisions, which can seriously impact upon their future. "The Slide might be a fictional film, but the scenario that develops is one we have seen many times before and we want to demonstrate to those attending the seminars that there is nothing glamorous about a life of crime.

This educational pack has been made in close collaboration with a range of partners and demonstrates a joint commitment to keeping our children safe from harm and ensuring they have all the information they require to make positive lifestyle choices." "The Slide" which highlights the grim reality of becoming involved in serious organised crime. It is important that young people in particular can see the reality and potential consequences of making the wrong the choices and the impact these can have on not only themselves but their wider circle of family and friends.

On the 24th of January 2019, 100 cross sector partners were trained in the delivery of this product.

Problem Solving

Police Scotland currently have 3 levels for categorising licensed premises that come to our attention:

- **Monitored** – Premises that require extra support and supervision. This can include premises coming to police attention through incidents or newly opened premises with inexperienced staff. A low key approach is used to address issues before they escalate.
- **Intervention** – A formal intervention agreement is put in place to improve the safe and legitimate operation of a premises. This intervention plan, which contains a list of conditions, is agreed between all parties. The intervention period would last a minimum of three months and be subject to review.
- **Problematic** – Premises deemed problematic will normally be the subject of a premises licence review submission by Police Scotland to the Licensing Board.

Any categorised premises will be subject to regular inspections to ensure compliance and will form part of the tasking regime for the night time economy action plans. All inspections, pro-active, re-active or planned are submitted via the Innkeeper system.

Figures for the period 1st April 2018 to 31st March 2019 show that 10 premises were monitored and subject to regular inspections. 2 of the monitored premises were upgraded to intervention and a further taken to review with additional conditions added to their licence.

Summary

Appendices A and B provide details of all crimes/offences detected within Renfrewshire and the volume of applications processed by Police Scotland for licensed premises within Renfrewshire in terms of the Licensing (Scotland) Act 2005, between 1 April 2018 and 31 March 2019.

Section 1 – Unlicensed sale of alcohol – No reports were submitted to the Procurator Fiscal against personal licence holders due to failures identified in their compliance with the conditions of their licence.

Section 22 – Objections and Representations – There were no premises applications subject to an objection or representation by Police Scotland.

Section 36 – Review Applications – There was one premises subject of a review application. This resulted in the premises having restrictions place on its operation and an extensive list of criteria which it must adhere to.

Section 63 – Sale or supply out-with licensed hours – There were no offences of this nature reported.

Section 72 – Personal Licence Applications – During the previous 12 months, Police Scotland made one submissions to the Board recommending refusal. The application was granted.

NOT PROTECTIVELY MARKED

Section 84 – Personal Licence Reviews – Two individuals were the subject of a personal licence review. 1 applicant had their licence revoked and the other surrendered theirs prior to the hearing.

Section 94 – Exclusion Orders – There were no exclusion orders.

Section 97 – Closure Orders – There have been no closure orders.

Section 111-116 – Drunkenness/Disorder Offences 18 persons were charged under these sections during this year. Many of the offences were dealt with by means of a Fixed Penalty Notice.

The total number of offences recorded under the Licensing (Scotland) Act 2005 has fallen from 31 in 2017-2018 to 25 in 2018-2019.

TACKLING SERIOUS ORGANISED CRIME (SOC)

The Serious Organised Crime Taskforce was set up to ensure Scotland can respond robustly to the threat posed by organised crime, identify improvements, and ensure all agencies are working to the same aims to raise public awareness. Membership of the group includes the Solicitor General; the Police Service of Scotland; the Prison Service; Her Majesty's Revenue and Customs (HMRC); National Crime Agency (NCA); Society of Local Authority Chief Executives (SOLACE); Her Majesty's Inspectorate of Constabulary Scotland (HMICS) and Scottish Business Resilience Centre (SBRC).

Its remit is to work together to help deliver the Scottish Government's commitment to tackling serious organised crime by:

- Identifying priorities for tackling serious organised crime (SOC) in Scotland.
- Sharing best practice and improving co-ordination between law enforcement agencies and others;
- Identifying innovative ways of working together and encouraging better ways of working together;
- Developing a coherent Scottish response on reserved and other SOC issues; and
- Making proposals for legislation, research and other measures to tackle SOC.

There are several groups operating within the Renfrewshire area, some of which have connections to the licensed trade, via licensed premises, second hand dealers, tanning salons and car wash facilities. Police Scotland, in conjunction with our partner agencies, have identified innovative ways to disrupt such organisations who are targeted through multi-agency days of action. Whilst it can be difficult to link these groups to serious crimes, targeting other crimes has proven to be a useful tool in disrupting their operations.

PROPOSED ACTIVITY FOR THE YEAR AHEAD

DON'T ASK FOR IT - Proxy Purchase Campaign

Renfrewshire & Inverclyde Police will launch "Don't Ask for it" Proxy Purchase Campaign proxy purchase campaign between the 7th of June 2019 and 31st August 2019.

This Campaign will focus on hot spot areas with Educational interventions supported by our third sector partners.

The main aims of the campaign are

- Reduce the number of attempted purchases of alcohol for under 18s.
- Reduce crime and antisocial behaviour in the area.
- Reduce the vulnerability of those abusing alcohol under 18.
- Reduce the number of hospital admissions for under 18s with alcohol related injuries.
- Educate the public regarding the offence and dangers of proxy purchase within our communities.
- Educate Off-Sales and Licensed Premises to highlight the dangers of Proxy Purchase and operate within the Licensing Objectives.

The success of initiatives such as "Challenge 25" and joint work with Renfrewshire Council have reduced the direct sale of alcohol to those under 18, however alcohol related violence and anti-social behaviour illustrate that younger age groups are increasingly gaining access to alcohol by other proxy sales. The most common method involves asking adults to buy alcohol for them.

The Licensing (Scotland) Act 2005 makes it an offence for a person to act as an agent for a child in purchasing or attempting to purchase alcohol'. This is known as proxy purchase. The penalties for this offence include a fine of up to £5000 and/or three months in prison.

Campaign activity across Renfrewshire will be supported with events taking place In Paisley, Renfrew and Johnstone to promote the campaign. Pop up banners, posters and photo opportunities with the local press would be incorporated across the campaign and promoted across our social media platforms.

Major retailers have been approached and fully support the campaign. Smaller off-sales will receive promotional briefing packs explaining the benefits of the campaign to staff and customers. This includes posters and stickers to display within their premises reiterating the campaigns aims and supporting retailers in preventing the sale of alcohol to under 18s.

A number of sites will be identified as suitable for the application of the branding using stencils at areas of high footfall in order to maximise the promotion of the campaign and give warnings to those contemplating proxy purchases.

The campaign will be supported through Test Purchase Operations by Police Scotland ensuring premises believed to be supplying alcohol to under 18s are

NOT PROTECTIVELY MARKED

targeted. The campaign will be promoted at suitable events running across the area through the summer with campaign materials and social media platforms.

St Mirren Football Club have also been approached with a view to gaining support and promotional opportunities. 'Street Stuff' who have already confirmed their support.

Previously the campaign was launched within Lanarkshire (2015) and Greater Glasgow (2018) with great success.

Gender Based Violence (GBV) groups identified that the Slogan, "You're Asking for It" could be understandably perceived in a negative manner and could adversely affect the efforts to reduce Gender Based Violence it". Recognising this concern and after consultation with the Scottish Alcohol Industry Partnership (SAIP) it has been agreed that the campaign slogan "Don't ask for it" will be used for the campaign within Renfrewshire and Inverclyde.

Test Purchase Operations

Further recruitment of young people will ensure these operations continue to be carried out by Police Scotland throughout 2019 and 2020.

Enforcement Operations

The Licensing department will continue to plan and co-ordinate multi agency operations with officers from Home Office Immigration Enforcement (HOIE), Her Majesty's Revenue and Customs (HMRC) and Renfrewshire Council targeting all forms of licensed premises and persons within the area.

Licensing Seminar

This annual event for the Renfrewshire liquor trade will continue to be part of the festive safety campaign. Licensing staff will liaise with partners to identify appropriate topics for discussion as well as a suitable venue.

To conclude we would like to thank you for your continued support and stress the importance of this collaborative problem solving approach. This ensures that police, licence holders and licensed premises staff have a better understanding of their responsibilities. We look forward to furthering this partnership over the coming year.

Report by Clerk to the Licensing Board

**Extended Hours for the Festive Period 2019/2020
under the Licensing (Scotland) Act 2005**

INTRODUCTION

1. Policy

It has been the normal practice of the Renfrewshire Licensing Board to make a policy for extended hours for the festive period. In previous years, this policy was considered at the Board's October quarterly meeting under the Licensing (Scotland) Act 1976 regime and a similar practice has continued under the Licensing (Scotland) Act 2005.

The Board has in terms of its current Statement of Licensing Policy at Paragraph 15.4 set out the following:-

"The Board has an existing practice permitting longer licensed hours over the festive period and that will continue to be the case. The festive period for the purposes of this aspect of the policy will be determined by the Board on an annual basis."

Accordingly, the Board now require to determine the festive period for such longer licensed hours to apply for the festive period 2019/2020.

It should be noted that many premises licence holders when making an application for a premises licence to the Board included within the Seasonal Variations section of their applications a reference to the hours to be determined by the Board in respect of their festive policy to be applied to their licences as a seasonal variation. Accordingly, such licence holders will not require to make further application to the Board for "extended hours" to cover the festive period determined by the Board. Other licence holders who have not included a seasonal variation in their operating plans are required to submit separate applications for extended hours.

2. Consultation on Festive Policy

The views of the Local Licensing Forum, Police Scotland, Renfrewshire Health & Social Care Partnership and the Council's Community Safety Tasking and Deployment Manager were sought.

The forum discussed the festive hours for 2019/2020 at their meeting of 23rd June 2019 and agreed to support festive hours similar to those agreed for 2018/2019.

No further responses were received from Police Scotland, Renfrewshire Health & Social Care Partnership or the Council's Community Safety Tasking and Deployment Manager.

Having regard to Paragraph 15.4 of the Board's own Statement of Licensing Policy as set out at Paragraph 1, previous festive policy hours and the views of the membership of Renfrewshire Licensing Forum, the Board will require to determine if they wish a similar festive policy to 2018/2019. The proposed festive hours set out below reflect the hours allowed by the Board for the festive period 2018/2019, as supported by Renfrewshire Licensing Forum.

3. Proposed Festive Policy Hours

If the Board so determine, it is proposed that the extended hours for the festive period 2019/2020 are as follows:-

"Festive Period" to be defined as the period (i) from Friday 6th December 2019 to Saturday 7th December 2019, inclusive and (ii) Friday 13th December 2019 to Thursday 2nd January 2020 inclusive and the proposed policy hours are set out below.

References to the terminal hour below are to the last hour's trading on any day affected by the proposed policy and shall be construed so that the terminal hour stated will be on the morning immediately after the trading date shown, so that the terminal hour stated for Sunday 15th December 2019 in respect of on sale premises (including registered clubs) other than those with the primary purpose of offering entertainment in the form of dancing is 1am on Monday 16th December 2019.

All Licensed on sale premises (including registered clubs), except premises the primary purpose of which is to offer entertainment in the form of dancing

Terminal Hour – 1.00am	Sunday 15 th , Monday 16 th , Tuesday 17 th , Wednesday 18 th , Thursday 19 th , Sunday 22 nd , Monday 23 rd , Wednesday 25 th , Thursday 26 th , Sunday 29 th , Monday 30 th all December 2019, Wednesday 1 st and Thursday 2 nd both January 2020.
Terminal Hour – 2.00 am	Friday 6 th , Saturday 7 th , Friday 13 th , Saturday 14 th , Friday 20 th , Saturday 21 st , Friday 27 th , Saturday 28 th all December 2019.

Terminal Hour – 3.00 am

Tuesday 24th December 2019 and Tuesday 31st December 2019.

On Sales Premises, the primary purpose of which is to offer entertainment in the form of Dancing

Terminal Hour – 3.00 am

Sunday 15th Monday 16th, Tuesday 17th, Wednesday 18th, Thursday 19th, Sunday 22nd, Monday 23rd, Wednesday 25th, Thursday 26th, Sunday 29th, Monday 30th all December 2019, Wednesday 1st and Thursday 2nd both January 2020

**Terminal Hour 4.00 am
Where premises are
Members of Paisley Town
Centre Radio Link**

Friday 6th, Saturday 7th, Friday 13th, Saturday 14th, Friday 20th, Saturday 21st, Friday 27th, Saturday 28th all December 2019.

Terminal Hour – 4.00am

Tuesday 24th December 2019 and Tuesday 31st December 2019.

4. Last Date for Applications

As indicated previously at Paragraph 1, a number of licence holders have included the Board's festive policy hours in their operating plans and no further application is required. In relation to those licence holders who will require to submit extended hours applications, it is proposed that such applications be submitted at least 28 days in advance of the first date applied for to allow for the timeous processing of applications.

5. Requirement for Notification

It has been the Board's practice for the last four years that all premises licence holders who had provided in their operating plans for a seasonal variation, in relation to the festive hours, advise both Police Scotland and Renfrewshire Licensing Board of the dates on which they intended to utilise their seasonal hours. It is proposed that similar notification be given by those licence holders by Monday 2nd December 2019 this year.

Intimation can be made via email to the following:-

Police Scotland - RenfrewshireInverclydeLicensing@scotland.pnn.police.uk

Renfrewshire Licensing Board - enforcement.licensing.cs@renfrewshire.gov.uk

6. Recommendations

6.1 It is recommended that:-

- 6.1.1 The Board agree that there be extended hours for the festive period having regard to its position as set out at Paragraph 15.4 of the Statement of Licensing Policy which indicates that the current policy of allowing longer licensed hours over the festive period will continue;
- 6.1.2 Thereafter, the Board approve the proposed hours and dates detailed in this Report for the festive period, or such other hours as the Board considers appropriate, and authorise the Clerk to take such steps as required to advise appropriate individuals and organisations of this year's festive policy;
- 6.1.3 The Board agree, in cases where premises licence holders have the benefit of festive hours included in their Operating Plans, that those licence holders require to advise the Board and Police Scotland no later than 2nd December 2019 of the dates they intend to utilise their seasonal hours during the festive period;
- 6.4 The Board agree in cases where licence holders have not included the Board's festive policy in their operating plans that extended hours applications will be required. Such applications should be made at least 28 days in advance of the first date for which extended hours are sought.

.....
