LICENSING BOARD MEETING

20 NOVEMBER 2023

REPORT

- 1. Report by Clerk to the Licensing Board - Timetable of Licensing Board Meetings 2024**

To: Renfrewshire Licensing Board

On: 20 November 2023

Report by Clerk to the Licensing Board

Timetable of Licensing Board Meetings 2024

1. Introduction

1.1 In 2014, the Licensing Board changed its practice in relation to scheduling its future meetings. Until then, the practice of the Board had been to agree the dates of its next meetings, or delegate authority to the Clerk to agree further dates, at the conclusion of a meeting. In 2014, however, the Board began to schedule meetings for the year ahead.

1.2 To assist members' diaries, a proposed timetable, shown at Paragraph 2.1 of this report, has now been drawn up for the period from January 2024 to December 2024.

2. Proposed Timetable

2.1 It is proposed that the meetings of the Board in 2024 be held on the following dates:-

Monday 12 February 2024
Friday 22 March 2024
Monday 17 June 2024
Friday 20 September 2024
Monday 25 November 2024

It is proposed that these meetings would begin at 10am.

2.2 The proposed dates would allow the Board to meet regularly to consider licence applications it requires to determine under the Licensing (Scotland) Act 2005. They also allow for the Council's recess periods in April, June to August and October. The Licensing Board will require to consider any festive hours policy it considers appropriate at the September meeting.

2.3 In order to comply with the requirements of Regulations made under the above Act, the Board may require to agree additional meetings from time to time. In particular, additional meetings of the Board may be required to hold premises licence review hearings, which should take place within six weeks of an application for review being made, and in order to progress the development of the Board's next Statement of Gambling Principles, which will require to be reviewed in 2024.

3. Recommendations

3.1 It is requested that the Board agree the timetable of meetings for the period January 2024 – December 2024 as detailed in Paragraph 2.1 of this report.
