

PAISLEY PARKING ZONES

PAISLEY RESIDENTS PARKING SCHEME

Paisley Residents Parking Scheme

Residents parking permits are issued in controlled parking areas of Paisley to allow people to park their car near to where they live. Historically as car ownership has grown, demand for the limited space has too. Demand in towns outstrips available space when workers and visitors bring their cars, Paisley is no exception.

Parking permits are free to residents of the town (upon completion of an application form). We require documentary proof of residence (voters roll; council tax or utility bill) and proof that the car is registered at the same address (DVLA form V5). If you use a company car you must provide a letter from your employer (on headed paper) confirming that you're authorised to use the vehicle. If required, a 6 week temporary permit will be issued to allow you time to provide the required information.

Visitor and business permits are available upon application within zones 2 and 3 only (Restrictions apply).

Applications forms can be downloaded or requested online, by phone or by calling into our Customer Contact Centre at:
Renfrewshire House, Cotton Street, Paisley
Tel: 0300 300 0300

Permits need to be renewed annually – It is the permit holder's responsibility to renew the permit. Reminders will NOT be issued.
