Report by Clerk to the Licensing Board

**Extended Hours for the Festive Period 2024/2025
under the Licensing (Scotland) Act 2005**

INTRODUCTION

1. Policy

It has been the normal practice of the Renfrewshire Licensing Board to make a policy for extended hours for the festive period. In previous years, this policy was considered at the Board's October quarterly meeting under the Licensing (Scotland) Act 1976 regime and a similar practice has continued under the Licensing (Scotland) Act 2005.

The Board has in terms of its current Statement of Licensing Policy at Paragraph 15.4 set out the following:-

"The Board has an existing practice permitting longer licensed hours over the festive period and that will continue to be the case. The festive period for the purposes of this aspect of the policy will be determined by the Board on an annual basis."

Accordingly, the Board now require to determine the festive period for such longer licensed hours to apply for the festive period 2024/2025.

It should be noted that many premises licence holders when making an application for a premises licence to the Board included within the Seasonal Variations section of their applications a reference to the hours to be determined by the Board in respect of their festive policy to be applied to their licences as a seasonal variation. Accordingly, such licence holders will not require to make further application to the Board for "extended hours" to cover the festive period determined by the Board. Other licence holders who have not included a seasonal variation in their operating plans are required to submit separate applications for extended hours.

2. Consultation on Festive Policy

Renfrewshire Licensing Forum were consulted for their views regarding the possible adoption of a similar festive policy as in previous years. They responded to confirm that they had no adverse comments to make regarding a similar festive hours policy being agreed for 2024/25.

Renfrewshire Health & Social Care Partnership were also consulted individually. No further comments were received in response.

Having regard to Paragraph 15.4 of the Board's Statement of Licensing Policy as set out at Paragraph 1, previous festive policy hours and the views of the membership of Renfrewshire Licensing Forum, the Board will require to determine if they wish a similar festive policy to previous years. The proposed festive hours set out below reflect the hours allowed by the Board in previous years.

3. Proposed Festive Policy Hours

If the Board so determine, it is proposed that the extended hours for the festive period 2024/2025 are as follows:-

"Festive Period" to be defined as the period (i) from Friday 6th December 2024 to Saturday 7th December 2024, inclusive and (ii) Friday 13th December 2024 to Thursday 2nd January 2025 inclusive and the proposed policy hours are set out below.

References to the terminal hour below are to the last hour's trading on any day affected by the proposed policy and shall be construed so that the terminal hour stated will be on the morning immediately after the trading date shown, so that the terminal hour stated for Sunday 15th December 2024 in respect of on sale premises (including registered clubs) other than those with the primary purpose of offering entertainment in the form of dancing is 1am on Monday 16th December 2024.

4. Last Date for Applications

As indicated previously at Paragraph 1, a number of licence holders have included the Board's festive policy hours in their operating plans and no further application is required. In relation to those licence holders who will require to submit extended hours applications, it is proposed that such applications be submitted at least 28 days in advance of the first date applied for to allow for the timeous processing of applications.

5. Requirement for Notification

It has been the Board's practice in recent years that all premises licence holders who had provided in their operating plans for a seasonal variation, in relation to the festive hours, advise both Police Scotland and Renfrewshire Licensing Board of the dates on which they intended to utilise their seasonal hours. It is proposed that similar notification be given by those licence holders by Monday 2nd December 2024.

Intimation can be made via email to the following:-

Police Scotland - RenfrewshireInverclydeLicensing@scotland.police.uk

Renfrewshire Licensing Board - enforcement.licensing@renfrewshire.gov.uk

6. Recommendations

6.1 It is recommended that:-

6.1.1 The Board agree that there be extended hours for the festive period having regard to its position as set out at Paragraph 15.4 of the Statement of

Licensing Policy which indicates that the current policy of allowing longer licensed hours over the festive period will continue;

- 6.1.2 Thereafter, the Board approve the proposed hours and dates detailed in this Report for the festive period, or such other hours as the Board considers appropriate, and authorise the Clerk to take such steps as required to advise appropriate individuals and organisations of this year's festive policy;
- 6.1.3 The Board agree, in cases where premises licence holders have the benefit of festive hours included in their Operating Plans, that those licence holders require to advise the Board and Police Scotland no later than 2nd December 2024 of the dates they intend to utilise their seasonal hours during the festive period;
- 6.1.4 The Board agree in cases where licence holders have not included the Board's festive policy in their operating plans that extended hours applications will be required. Such applications should be made at least 28 days in advance of the first date for which extended hours are sought.

Clerk to the Licensing Board
