Report by Clerk to the Licensing Board

Timetable of Licensing Board Meetings 2018

1. Introduction

1.1 In 2014, the Licensing Board changed its practice in relation to scheduling its future meetings. Until then, the practice of the Board had been to agree the dates of its next meetings, or delegate authority to the Clerk to agree further dates, at the conclusion of a meeting. In 2014, however, the Board began to schedule meetings for the year ahead.

1.2 To assist members' diaries, a proposed timetable, shown at Paragraph 2.1 of this report, has now been drawn up for the period from January to December 2018.

2. Proposed Timetable

2.1 It is proposed that the meetings of the Board in 2018 be held on the following dates:-

Monday 15 January, 2018
Monday 5 March, 2018
Monday 18 June, 2018
Monday 17 September, 2018
Monday 19 November, 2018

It is proposed that these meetings would begin at 10am.

2.2 The proposed dates would allow the Board to meet regularly to consider licence applications it requires to determine under the Licensing (Scotland) Act 2005. They also allow for the Council's recess periods in April, June to August and October. The Licensing Board will require to consider any festive hours policy it considers appropriate at the September meeting.

2.3 In order to comply with the requirements of Regulations made under the above Act, the Board may require to agree additional meetings from time to time. In particular, additional meetings of the Board may be required to hold premises licence review hearings, which should take place within six weeks of an application for review being made. The Licensing Board will also require to publish a Statement of Licensing Policy by early November 2018 and it is likely that additional meetings of

the Board may also be required to allow the statutory processes to be completed prior to the introduction of the new policy.

3. Recommendations

3.1 It is requested that the Board agrees the timetable of meetings for the period January 2018 – December 2018 as detailed in Paragraph 2.1 of this report.
