## Part 1 Guidance notes

From 1 April 2018, care leavers are exempt from paying council tax. If a care leaver now lives alone or in a property that is wholly occupied by care leavers, a council tax exemption will apply.

If a care leaver now lives with one other adult, a council tax discount of 25% will apply.

If there is more than one other adult living with a care leaver, there is still a possibility that a council tax discount of 25% will apply. This will depend on the circumstances of the other adults.

NOTE – The person who is liable to pay council tax at the address above must be the person who completes this form. All parts of the form must be completed.

## Part 2 Qualifying conditions
